- game statistics, such as roles distribution ratio, player statistics (offensive/defensive ratio, player performance level in certain skills), match statistics, side-by-side statistics).

In order to change the visibility of a profile, a user must make it private by changing the appropriate field in the profile settings view. In this case only your nickname and date of registration is publically available.

You can change your profile privacy preferences (private/public) at any time from your account settings.

VIII. TRANSFER OF PERSONAL DATA TO A THIRD COUNTRY

We transfer the Data to third countries (i.e. the countries outside the EEA (European Economic Area), including the United States of America, but it is executed in compliance with

all requirements resulting from the binding provisions of law. You can obtain from the Controller a copy of the data transferred to a third country.

IX. DATA SUBJECTS' RIGHTS

In accordance with the provisions on the protection of personal data, in particular the GDPR, You have the following rights:

1. **to withdraw Your consent** to the processing of Personal Data at any time. Withdrawal of consent does not affect the lawfulness of the processing that has been made on the basis of your consent before its withdrawal, pursuant to Article 7 GDPR;

2. **to access Your Personal Data** and obtain from the Controller confirmation as to whether or not Your Personal Data are being processed, and, where that is the case, access to the Personal Data and i.a. the following information:
 - the purposes of the processing;
 - the categories of Personal Data concerned;
 - the recipients or categories of recipient to whom the Personal Data have been or will be disclosed, in particular recipients in third countries or international organisations;
 - where possible, the envisaged period for which the Personal Data will be stored, or, if not possible, the criteria used to determine that period;

pursuant to Article 15 GDPR;

3. **to rectify or supplement Your Personal Data** when it is incomplete or incorrect, pursuant to art. 16 GDPR;

4. **to erasure Your Personal Data (right to be forgotten)**, if:

- Your Personal Data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;
- You withdraw your consent and We have no other legal basis for processing this data;
- You raise an objection which We deem justified;
- Your Personal Data have been unlawfully processed,

pursuant to Article 17 GDPR;

5. **to restrict processing Your Personal Data**, if:

- You contest the accuracy of the Personal Data, for a period enabling the Controller to verify the accuracy of the Personal Data;
- the processing is unlawful and You oppose the erasure of the Personal Data and request the restriction of their use instead;
- We no longer need the Personal Data for the purposes of the processing, but they are required by You for the establishment, exercise or defence of legal claims;

pursuant to Article 18 GDPR;

6. **to data portability** and receive Your Personal Data, which You provided to the Controller, in a structured, commonly used and machine-readable format and the right to transmit those data to another controller without hindrance from the Controller to which the personal data have been provided, if we process Your Personal Data on the basis of consent in order to provide services or the processing is carried out by automated means, pursuant to Article 20 GDPR;

7. **to object**, on grounds relating to Your particular situation, at any time to processing of Your Personal Data which is based on our legitimate interests as the Controller. As a result of the objection, We will consider whether - due to Your special situation - the protection of Your interests, rights and freedoms outweighs the interests that we pursue using Personal Data, pursuant to Article 21 paragraph 1 GDPR;

8. **to submit a complaint to the supervisory body**, which is the President of the Personal Data Protection Office (address: 2 Stawki Street, 00-193 Warsaw), if you believe that Your Personal Data are being processed improperly

X. PROFILING AND NON-AUTOMATED DECISION-MAKING

1. Profiling is the automated processing of Data that involves the use of personal data to evaluate certain personal factors about an individual, in particular to analyze or predict aspects of that individual's performance, economic situation, health, personal preferences, interests, reliability, behavior, location or movement.
2. In order to carry out the Service, in some cases we may use profiling. This means that through automated processing, we evaluate selected factors about individuals to analyze how they play.
3. On the basis of profiling, we do not use automated decision-making in individual cases at any stage of the processing of Data.
4. Profiling does not cause any legal consequences for You and does not significantly affect Your situation.
5. The scope of data subject to Profiling is analogous to the scope indicated for processing purposes regarding the analysis of activity on the Website.
6. The legal basis for the processing of Personal Data for the purpose of Profiling is Article 6 (1) (f) GDPR, according to which we can process Personal Data in order to achieve our legitimate goal of conducting marketing activities tailored to the preferences of Users.
7. We are entitled to process Personal Data for the purpose of Profiling until we achieve the purpose of data processing or You object effectively.
